

Excellence **ANNUAL** **BULL SALE**

THURSDAY MARCH 11 2021 | 2:00 PM
AT THE RANCH | WESTLOCK, ALBERTA

OUR LIFESTYLE & **OUR LEGACY**

HELLO

Welcome to the 5th annual Excellence Sale held at the ranch & the 33rd pen of Excel bulls for sale.

While 2020 sure was a ride, we were reminded of the perseverance of the cattle industry & beyond proud to be a part of it. We have continued to follow our own course & not the latest craze, in our commitment to raise real world cattle to sustain the beef industry. This commitment remains on performance without sacrificing maternal traits, while still working hard to bring new genetics to the table along with honest data to make your decision easier. We know you sell pounds for a living & need to get those pounds as efficiently as possible.

All bulls are developed slowly once weaned allowing us to determine their

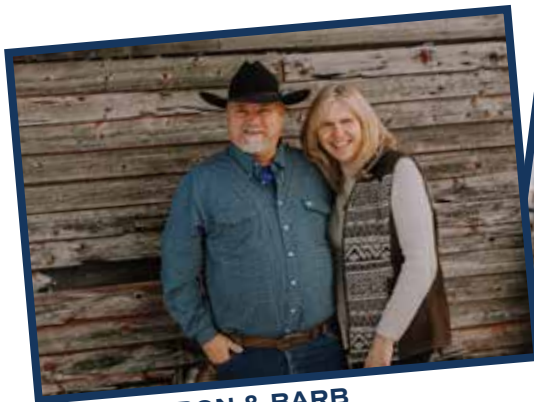

potential while still keeping longevity and breeding soundness in mind. This year the yearlings were weaned onto Bullseye feed pellets and now are on a sensible ration of chopped hay, barley, silage & Bullseye beef supplement. The 2-year-olds are sent to pasture in the summer and hardly seen again until the ground freezes. As always, the 2-year-olds are not left-overs, they are bulls handpicked specifically at weaning, based mainly on age, but also sire groups and color so we have a diverse offering each year.

Due to the uncertainty of COVID restrictions, we are planning a month long

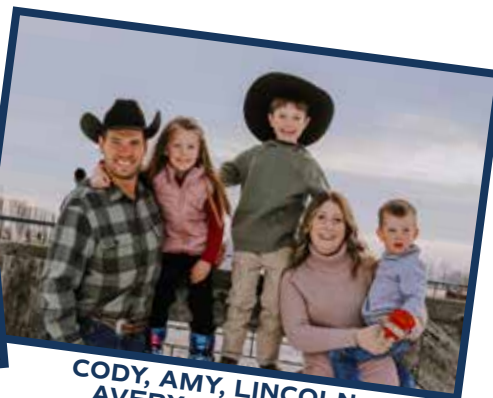

"open-house" prior to the sale. Stop by between February 10 - March 10 and we will give you a full tour & a bull discount. If you are uncomfortable stopping by we are happy to figure something else out for you.

You aren't just buying bulls from Excel, you're investing in decades of strong ethics, precise genetic selection, sincere customer service, and the highest productivity. This year's pen has exceeded our expectations and we know you will be happy with the selection available for the value. Join us at the ranch for the sale and some excellence hospitality before and after the sale!
