

Excellence **ANNUAL** **LIMOUSIN & ANGUS BULL SALE**

THURSDAY
MARCH 10
2022 | 2:00 PM

AT
THE **RANCH**
WESTLOCK, AB

Hello

Welcome to the 2022 edition of the Annual Excellence Sale!

We are thrilled to offer you this pen of Limousin, Angus & LimFlex bulls. Last year I made the claim that 2020 was a wild ride, so I'm not sure what to call 2021. Even though it was a year to remember, we really do remember it for all its good parts. We feel the stakes are higher than ever and that the bulls you purchase this year are going to sire you the highest priced calves we've seen!

It is with your support that we have been able to expand our herd, grow our sale and reach milestones we never imagined. Our commitment to you, is that we will continue on our own course to raise real world cattle with performance, while still holding on to those ever important maternal traits. It's important to us that you receive the right bull for your program and we will give you as much data as we can to make your selection easier.

While this year brought some unique feeding struggles the bulls were still developed slowly allowing us to gauge their potential while still keeping longevity and breeding soundness in mind. This year the yearlings were weaned onto Bulls-eye feed pellets and now are on a sensible ration of chopped hay, barley silage, rolled barley & Bulleyes beef supplement. The 2-Year olds were sent to what very little pasture we had this summer and re-evaluated in the fall. As always, the 2-year olds are not left overs, they are bulls handpicked specifically at weaning, based on age, sire groups and color so we have a diverse offering each year. We are pleased to have expanded our Angus herd enough to offer you 2-Year old Red and Black Angus bulls for the first time.

Also new this year, to offer a second set of eyes we welcome the OBI team on board as consultants. Feel

free to contact Mark or Kylie with any questions prior to the sale.

Last year due to the uncertainty of restrictions we hosted a month long "open-house" prior to the sale, We enjoyed so many great visits and one on one time with you all, that even though we're planning on a full house on sale day, we're not willing to give up all those pre-sale visits. Stop by between Feb 1 - March 9 and we will give you a full tour & a bull discount.

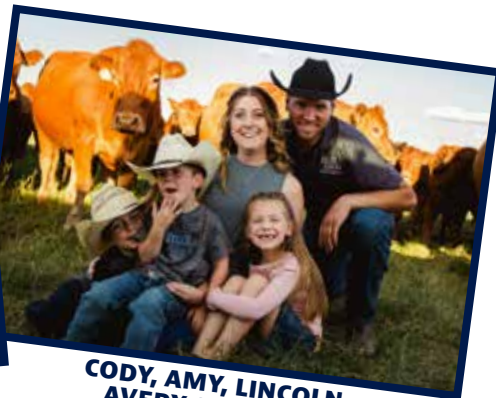

You aren't just buying bulls from Excel, you're investing in decades of strong ethics, precise genetic selection, the highest productivity & sincere customer service. This year's pen has exceeded our expectations and we know you will be happy with the selection available for the value. Let's get back to what's important!

See you soon!
